

LESSON 1 - ASSIGNMENT

1. Using photographs, drawings, or pictures from magazines, give examples of how colour has been used as a theme in a garden. Is it a hot or cool garden? Why? Submit no more than 2-3 pages.
2. Make a list of twenty plants that feature a colour (except green), other than the colour of their flowers e.g. bark, foliage, fruit etc.
3. Describe (in a paragraph for each) how different moods can be created in the following garden types:
 - active and passive
 - light and shady
 - movement and static
4. Write a report on what you did in your set tasks. Submit up to a page but no less than ½ page.
